

Compliance Statement

No. 2003 - 029 – Unscreened Category 6 Connecting Hardware De-embedded test method

Company

Reichle & De-Massari AG
Binzstrasse 31
8622 Wetzikon
Switzerland

Product description

Unscreened Category 6 RJ45 jack

Product identification

R302373

Generic cabling standards, cable standards

- ISO/IEC 11801: 2002, electrical performance requirements
- EN 50173-1:2002, electrical performance requirements
- ANSI/TIA/EIA-568-B.2-1, electrical performance requirements

Technical report

DELTA-E311648, DANAK-19J1088

This product has been tested by the EC (European Cabling) group of DELTA and complies with the electrical requirements of the above specified standards. The mated pair requirements are passed using the complete specified de-embedded range of RJ 45 plugs. Furthermore, it complies with "Terms and conditions for use of the EC VERIFIED marking on generic cabling products", DQP231006, version 8, 2002-02-12. The product takes part in a maintenance of qualification schedule which implies that the EC (European Cabling) group performs a quality audit of the manufacturer's production and QA sites. The product is sampled and tested every 12 months.
