Convincing cabling solutions

# A separate outlet is not needed for

## EQUIPPED FOR ALL CONNECTIONS!

The communications field is extremely dynamic. Constantly, new possibilities emerge and one proposal chases the other. Innumerable work related improvements and almost unlimited recreational activities unfold. Technical residential infrastructure has not been able to keep up with these dynamics. That is – up to now! We have removed this obstacle for you.

## FOR NOW AND THE NEXT FEW DECADES!

If you choose the R&M multimedia outlet you receive complete cabling freedom. Regardless which application you would like to use – in cabling you do not have to change anything anymore – even if you decide to change to another network provider.

The communications technology for voice and data, CATV and SAT as well as multimedia can be combined in a single outlet.

- The advantages at a glance:
- expandable at any time
  - absolutely guaranteed for the future
  - quick and easy installation
